SUMMER OPPORTUNITIES

Become a team member for the largest Indigenous-led infrastructure project in Canada, which will connect 17 remote First Nations in Northern Ontario with clean, reliable, and accessible grid power! Wataynikaneyap's First Nation leadership established the Guiding Principles, endorsed by its partners, that set out expectations for the project's development, including respect for the land and First Nation way of life.

Wataynikaneyap Power PM Inc., a wholly owned subsidiary of FortisOntario Inc., acts as the Project Manager of Wataynikaneyap Power LP ("Wataynikaneyap Power"). Wataynikaneyap Power is a licensed transmission entity, majority-owned by a partnership of 24 First Nations in partnership with Fortis Inc. and other private investors. The partnership is an unprecedented undertaking and is currently constructing and operating 1,800 kilometres of 230 kV, 115 kV, and 44 kV transmission lines and over 22 substations in northwestern Ontario. Located near Thunder Bay in our Fort William First Nation, ON office.

We are seeking members of Wataynikaneyap Power Projects' First Nation owner communities for summer employment in the following areas:

- Engineering
- Health & Safety
- Environment
- Business/ Administration
- Operations
- Project Management
